

At 101Print, we take pride on our quality and the varieties of print finishes and techniques we can do to help bringing your ideas to life. However, we also understand that PRICE is also a very important factor when it comes to decision-making.

Therefore, this is what we can offer.

If you see this icon “Best Price Guarantee” appear on one of our product web pages, that means all products listed on that web page are warranted under this Best Price Guarantee policy.

Best Price Guarantee –

If you think our price is not competitive enough, let us know by presenting a valid quote from another supplier located in your country that matches all specifications of the job, similar (if not better) turnaround, but at a lower price. Then we will offer you the **same price plus additional 10% discount.**

Our Best Price Guarantee currently only applies to customers resided in Australia/New Zealand/USA/Canada/UK. And the Guarantee only applies to products and quantities listed on our website.
